Feedback assessments with suggestions will strengthen and help in achieving the vision/goal of the institution.

The following are the students, teaching faculty, alumni and Employer constructive suggestion with reference to curriculum, syllabi, Teaching and learning along with action taken.

Students feedback and action taken

Suggestions	Action taken	Impact
Mental agony was faced during COVID-19	Mentor- Mentee Platform was strengthened. All faculties are insisted to interact with students often during online classes. Special mentoring slots are kept for interaction with students on personal mental agony.	At an outset of 100% students are successfully enquired regarding their mental agony and mentors have cleared all their agony.
The online Study materials availability with students are limited.	A vast number of e-resources were created by teachers through google drive, Google classroom, LMS portal.	The LMS portal helps the backlog students in exam preparation.
About laboratory sessions and examination	Laboratory classes are through ICT mode and Virtual labs are included in all sessions.	The demonstration through virtual lab created wide interest among the students.
