VISION & MISSION

VISION OF THE INSTITUTION ...

To transform rural youth through science and technology and creating an innovative knowledge hub whose initiatives generates entrepreneurial value towards nation building.

MISSION OF THE INSTITUTION ...

- To teach, empower rural youth, and lead them towards innovation.
- To hold ethical practices, empathy and appreciate the culture of learning.
- To nurture talents that transform, create, and innovate knowledge.

VISION OF THE DEPARTMENT ...

- The department endeavors to build character, nurture talent, and contribute to the nation and human society.

MISSION OF THE DEPARTMENT ...

- Nurture talented people from a humanitarian perspective, build their character, institute in them the ability and desire to maintain humanitarian principles, and enable them to contribute to the prosperity of humanity.

**"Leadership is the capacity to translate vision into reality."
— Warren Bennis**

ABOUT THE DEPARTMENT

The Department of HUMANITIES AND SCIENCES has established in 2008. The H&S department offers courses in basic subjects like: Mathematics, Probability and Statistics, Engineering Physics, Engineering Chemistry, and English as Language for Communication. The H&S provides a conceptual base in basic sciences that form the foundation for engineering subjects. It provides training in soft skills, social skills, and communication skills. The H&S strongly acknowledge as the footing subject for all the branches of engineering discipline. The H&S aims at providing competitive quality of education and it supports the students to lay the basic profound foundation of information and knowledge to all the branches of engineering. The objective of the department is to make the students understand and aware of the importance of sciences and develop a natural elegance and interest towards engineering and technology. The precept of the department is to cater the formidable education to the students with the assistance of well-qualified, dedicated and highly motivated faculty members. The faculty of humanities and sciences, impart the best teaching methodologies to the students, which results to mold the students to competent and true professionals.

"FACULTY OF THE DEPARTMENT OF HUMANITIES AND SCIENCES"

HOD'S MESSAGE

Dr. K Lakshmi HOD, H&S

I take delight in unveiling the Volume 2| issue1 of our department newsletter 'BLOSSOM'. The elegance of this 'BLOSSOM' is the result of the sincere efforts of the editors. As we embark on another exciting chapter, I am thrilled to share our latest updates and achievements in this second edition of our newsletter 'Blossom'. This platform is a testament to the incredible dedication, creativity, and teamwork that drive our department forward.

In the Volume 2, first issue of "Blossom", we've made significant strides in organizing the 'Girl Child' Program, and I'm proud of how each of you has contributed to our success. As we look ahead, our focus remains on developing the life skills in the students to face their future challenges in their career efficiently. Together, we will continue to set new benchmarks and make meaningful contributions in our field.

Thank you for your hard work, passion, and commitment. I am confident that this issue of departmental newsletter 'BLOSSOM' will send a positive signal to the staff, students and the people who are interested in the technical education and Technology based activities.

"It always seems impossible until it's done."

— Nelson Mandela

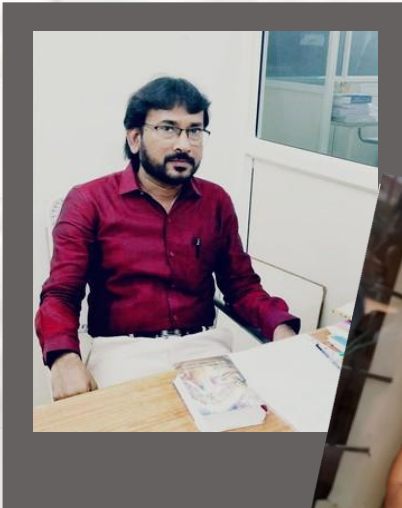

EDITORS' MESSAGE

Dear Readers,

As we turn the page on another exciting year 2025, we're thrilled to bring you this latest edition of our newsletter. It's been a season of growth, innovation, and community, and we're proud to highlight the stories, insights, and achievements that make our journey together so rewarding.

From major milestones and inspiring profiles to behind-the-scenes updates and upcoming events, this issue reflects the energy and dedication of everyone involved. As the editors, we've enjoyed collaborating to bring you content that informs, inspires, and connects us all.

We hope you enjoy reading it as much as we've enjoyed putting it together. As always, we welcome your feedback, ideas, and contributions—this newsletter is a space for all of us.

Dr. U Rama Murthy
Associate Professor,
H&S

Ms. K Krishnaveni
Assistant Professor, H&S

Thank you for allowing us to be a part of your world, if only for a fleeting moment. Together, we craft a tapestry of connection, one thread at a time.

We would like to extend our heartfelt gratitude to our esteemed Management, Principal, Dr. P. VEERA NARAYANA REDDY, the dynamic administrator Sri R.V RAMANA REDDY and HOD of H&S Department Dr. K. LAKSHMI for their constant support and encouragement for bringing out this, 'BLOSSOM'.

With warm regards,
Dr. U Rama Murthy & Ms. K. Krishnaveni
Editors of the Newsletter 'Blossom'

SAVITRI BHAI PHULE BIRTH ANNIVERSARY 03/01/2025

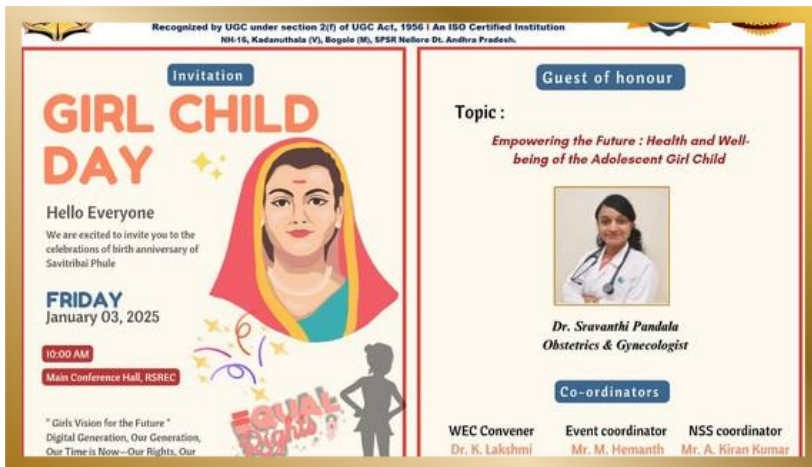

IT IS CELEBRATED AS BALIKA DIN IN MAHARASHTRA IN THE HONOR OF SAVITHRI BHAI PHULE BIRTH ANNIVERSARY

SIGNIFICANCE OF THE EVENT

Savitribhai Phule's birth anniversary is celebrated to honor her pioneering role as India's first female teacher and a fearless social reformer. She dedicated her life to women's education, fought against caste discrimination, and worked for the upliftment of marginalized communities. Her legacy continues to inspire movements for equality and education in India.

A powerful quote by Savitribai Phule:
"Awake, arise and educate. Smash traditions – liberate!"

The event was celebrated in a lavish and impressive way, with elaborate displays of ceremony, decoration, and spectacle.

Dr. Sravanthi

Obstetrics & Gynecologist

The Ramireddy Subbaramireddy Engineering College proudly observed the birth anniversary of Savitribai Phule, India's first female teacher and a trailblazing social reformer, on 3rd Jan, 2025. The event aimed to commemorate her immense contributions to women's education and social justice.

The event observed the key personalities of the institute, The Principal Dr. P.V.N Reddy, Administrative Officer Sri Ramana Reddy garu, WEC convenor Dr K Lakshmi, Chief guest and Staff coordinators of WEC.

The program began with a floral tribute to Savitribai Phule's portrait, followed by an inspiring speech by the Principal, WEC Convenor Dr. K. Lakshmi and the Chief Guest Dr Sravanthi Pandala, highlighting her relentless fight against caste discrimination and her pioneering work in starting the first school for girls in 1848.

The Women Empowerment Cell Student and staff coordinators took an active part in executing the event. Students from various departments actively participated in poetry recitations, short speeches, and a skit depicting key moments from Savitribai Phule's life. The event concluded with a pledge to uphold the values she stood for – equality, education, and empowerment. The celebration served as a powerful reminder of the role education plays in social transformation and inspired students to become agents of change.

GUEST SPEECH BY VIJAYA SHARMA, AKHIL BHARATIYA THARUNI PRAMUKH, DELHI. 31/01/2025

Youth's role and its importance explained by Ms Vijaya Sharma Garu

SIGNIFICANCE OF THE EVENT

The recent guest speech on the importance of youth roles, delivered by Ms Vijaya Sharma garu, Akhil bharatiya tharuni pramukh, Delhi, highlighted the incredible potential and responsibility that young people hold in shaping the future. The speaker emphasized that youth are not just leaders of tomorrow but active contributors today, capable of driving innovation, social change, and community development. With their energy, passion, and fresh ideas, young individuals have the power to transform challenges into opportunities. The speech inspired students to recognize their own value in society and encouraged them to take initiative, stay informed, and contribute positively in their communities. It was a powerful reminder that investing in youth is investing in a better future for all.

Nelson Mandela –
"The youth of today are the leaders of tomorrow."

The guest speech was organized by the Women Empowerment Cell in association with H&S department. The event was attended by the staff, students and the dignitaries of the institute: Principal Dr P.V.N Reddy, Administrative Officer Mr. Ramana Reddy Garu, WEC Convenor Dr. K Lakshmi and chief guest Ms. Vijaya Sharma. The event began with the welcome note by the host and it was proceeded by the felicitation of the guest speaker and the energized speech of the speaker.

WORLD CANCER DAY

04/02/2025

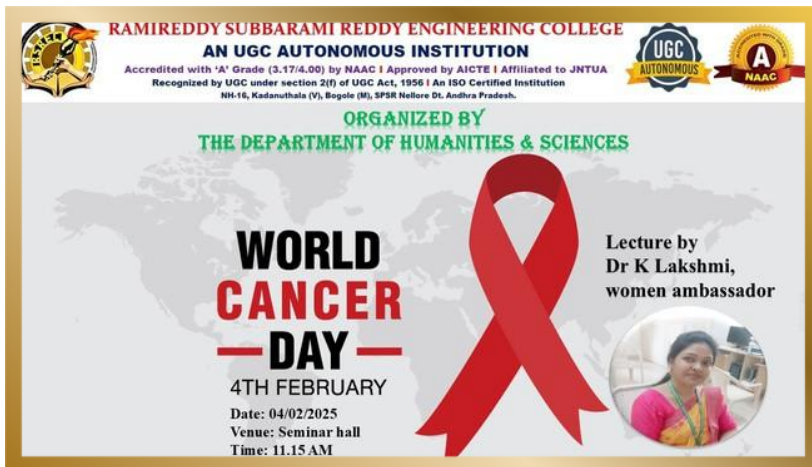

World Cancer Day was started in the year 2000. It was established at the World Summit Against Cancer held in Paris on February 4th, 2000.

SIGNIFICANCE OF THE EVENT

World Cancer Day, observed on February 4th, is important because it raises global awareness about cancer, encourages prevention, early detection, and treatment, and unites people worldwide in the fight against the disease. It's celebrated to reduce the global impact of cancer and support those affected by it.

"It is health that is real wealth and not pieces of gold and silver."
— Mahatma Gandhi

World Cancer Day in India is observed on February 4th every year, aligning with the global initiative led by the Union for International Cancer Control (UICC). In India, this day holds special significance due to the rising number of cancer cases and the need for public awareness.

Dr. K LAKSHMI

women ambassador, RSREC

To mark World Cancer Day, a special lecture was organized on February 4, 2025, to raise awareness about cancer prevention, early detection, and treatment. The session aimed to educate students, staff, and the local community on the growing impact of cancer and the importance of adopting a healthy lifestyle.

The lecture was delivered by Dr. K Lakshmi, Women Ambassador of RSREC, who shared valuable insights on the causes, symptoms, and recent advancements in cancer treatment. Emphasis was placed on regular screening, avoiding tobacco and alcohol, and maintaining a balanced diet.

The event concluded with an interactive Q&A session, where participants cleared their doubts and gained clarity on various cancer-related issues. Pamphlets and awareness materials were also distributed to attendees.

Such initiatives play a vital role in breaking the stigma around cancer and inspiring proactive health behavior.

BLOOD DONATION CAMP 07/02/2025

The modern blood donation system began to take shape in the early 20th century, with major developments in the discovery of blood types and the need for organized blood collection.

SIGNIFICANCE OF THE EVENT

Blood donation camps organized in colleges hold immense significance, as they not only help in saving countless lives but also instill a strong sense of social responsibility among students. These camps provide an excellent opportunity for young individuals to contribute to a noble cause and become active participants in community welfare. By donating blood, students support the critical needs of hospitals and blood banks, especially during emergencies. Moreover, such initiatives raise awareness, dispel common myths, and promote the health benefits of regular blood donation. Hosting these camps on campus also encourages teamwork, leadership, and a culture of giving—essential values that extend beyond academics.

**"We make a living by what we get,
but we make a life by what we
give."**

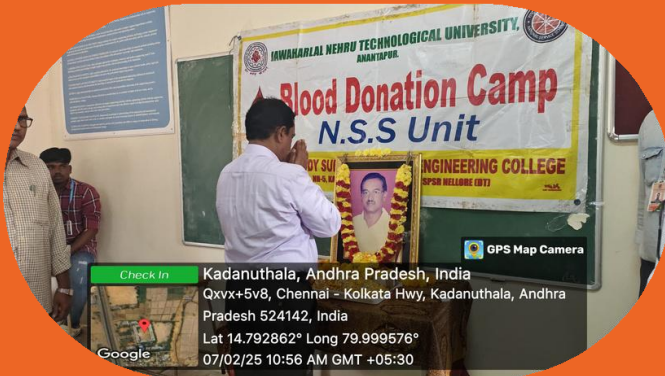

— Winston Churchill

The Blood Donation Camp was organized in RSREC by the 'Department of Humanities & Sciences' in association with the team of National service Scheme on 07/02/2025

In an effort to contribute to the welfare of the community, the Department of H&S in association with the National Service Scheme (NSS) at RSR Engineering college organized a Blood Donation Camp on 07th February, 2025 at the college campus. The event, aimed at promoting voluntary blood donation and raising awareness about its significance, was a massive success, attracting a large number of students, faculty, and staff.

The camp was set up in collaboration with the team of medical professionals overseeing the safe collection and storage of donated blood. Students, faculty, and local community members participated enthusiastically, donating blood to help save lives and contribute to maintaining the blood supply at nearby hospitals and medical centers.

The program started with a floral tribute to the founder's portrait by our dignitaries, Principal Dr. P.V.N Reddy, Administrative Officer Mr R.V Ramana Reddy, H.O.D of H&S Dr. K Lakshmi, NSS in charge Mr. A Kiran Kumar and staff.

Throughout the event, the NSS volunteers worked tirelessly to ensure smooth registration, provide guidance to first-time donors, and educate participants about the health benefits of blood donation. Additionally, medical professionals were on hand to conduct free health checkups, including testing for hemoglobin levels and blood pressure, to ensure that donors were in optimal health.

The event also featured a brief awareness session, where participants learned about the importance of regular blood donation and how it can make a real difference in emergency medical situations, surgeries, and the treatment of chronic illnesses like cancer.

A total of 145 units of blood were collected, which will go a long way in helping patients in need of life-saving blood transfusions. The NSS team expressed their gratitude to everyone who donated, noting that the event was a prime example of how the spirit of giving can positively impact society.

The success of the event underscores the importance of blood donation in fostering a compassionate community and saving lives. NSS at RSREC remains committed to organizing such initiatives in the future to encourage more students and staff to participate in life-saving causes.

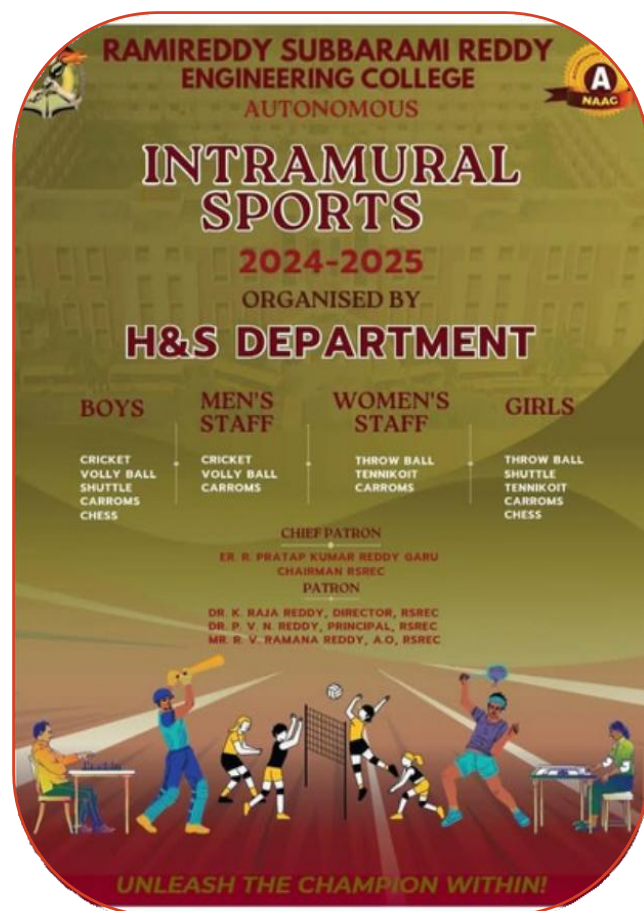

INTRAMURAL SPORTS 2024-2025

Every year Intramural Sports is organized by the Department of H&S to celebrate teamwork, fitness, and fun for the ultimate intramural sports experience.

SIGNIFICANCE OF THE EVENT

Intramural sports play a vital role in promoting physical health, mental well-being, and community building among both staff and students. By participating in these activities, individuals can relieve stress, stay active, and develop teamwork and leadership skills in a fun, low-pressure environment. For students, intramural sports offer a break from academic pressures and a chance to form friendships, while staff members benefit from opportunities to connect with colleagues outside of work roles. Overall, intramural sports foster a sense of belonging and campus spirit, contributing to a more vibrant and supportive educational environment.

Babe Ruth – "Never let the fear of striking out keep you from playing the game."

H&S HoD

The Department of H&S has organized 'INTRAMURAL SPORTS' in the month of February.

Our campus was energized with the launch of the Intramural Sports Program for both staff and students. Aimed at promoting physical fitness, mental well-being, and stronger interpersonal connections, the events saw enthusiastic participation across departments and grade levels.

The events observed key personalities of the Institute, Director Prof Raja Reddy, Principal Dr P.V.N Reddy, Administrative Officer Mr R.V Ramana Reddy, Organizing department H.O.D Dr K Lakshmi and NSS In charge Mr. A kiran Kumar along with the staff and the students.

From throwball and volleyball to indoor games and relay races, the games were designed to be inclusive and enjoyable for all skill levels. Staff and students not only competed but also collaborated, showcasing remarkable sportsmanship and team spirit. It was inspiring to witness faculty members and students bonding beyond classrooms, creating a vibrant, united campus atmosphere.

The success of this initiative highlights the importance of incorporating recreational sports into our academic environment. It provided a refreshing break from routine, reduced stress, and strengthened the sense of community. We look forward to making this an annual tradition, continuing to foster camaraderie, healthy competition, and lifelong wellness habits.

The winners were announced and appreciated with the medals and mementoes.

AN INTERACTIVE SESSION 01/03/2025

An Interactive Session was organized by the WEC in association with the Department of H&S as a part of International Women's Day celebrations

SIGNIFICANCE OF THE EVENT

An interactive session on neurology in college holds significant value, both academically and professionally. The interactive session was about the 'Brain' and its functions especially how to protect the brain health through proper awareness about the various emergency situations. The session was headed by Dr. Bindu Menon, the most renowned Neurologist in Apollo hospitals, Nellore.

"Your brain is the organ of your personality, character, and intelligence and is heavily involved in making you who you are."

— Daniel G. Amen, psychiatrist and author

Board Member SSO, Research Committee Member, World Stroke Organization.

Organized by
World Empowerment

The WEC and the Department of H&S organized an engaging Interactive Session on Neurology aimed at expanding students' understanding of the human brain and nervous system. The event brought together the dignitaries of the institute, the principal, Administrative Officer, WEC convenor, students, faculty, and a guest expert from the field of neuroscience, creating a dynamic platform for knowledge-sharing and discussion. The session started with the lighting of Lamp by the dignitaries followed by the speeches of the dignitaries and felicitation to the chief guest Dr. Bindu Menon. The session was led by Dr Bindu Menon, a renowned neurologist, who delivered a captivating talk on topics such as brain anatomy, neurological disorders, and the role of the nervous system in everyday functioning. Students participated actively in live Q&A sessions, discussed real-life neurological case studies, and gained insights into careers in neuroscience and medicine. A highlight of the session was a hands-on demonstration using brain models and diagnostic tools, making complex concepts more accessible and engaging for students across disciplines. The interactive format of the session fostered curiosity and deepened academic interest among attendees. It was not just a learning opportunity, but a reminder of how much remains to be explored about the human brain—the most powerful organ in the body. The department looks forward to organizing more such knowledge-rich sessions in the future.

INTERNATIONAL WOMEN'S DAY

07/03/2025

A one week celebration was held at RSREC on the occasion of International Women's day from 01/03/2025 to 08/03/2025

SIGNIFICANCE OF THE EVENT

Celebrating International Women's Day in college is important as it serves as a platform to raise awareness about gender equality, honor the achievements of women, and empower students to contribute to creating a more inclusive society. It provides an opportunity to reflect on the progress made in women's rights while highlighting the ongoing challenges women face globally, from unequal opportunities to gender-based violence. Through various activities like discussions, workshops, and events, students are encouraged to engage in conversations about social justice, gender roles, and equality. This celebration also fosters solidarity, bringing together students of all genders to advocate for change and inspire future leaders. Ultimately, International Women's Day in college reinforces the importance of gender equity and motivates individuals to work towards a more equal and supportive environment for everyone.

"The future belongs to those who believe in the beauty of their dreams."

— Eleanor Roosevelt, Former First Lady of the United States

Main Event Highlight: Women's Day Conclave – “Empowered Women, Empower the World”

- As part of the International Women's Day celebrations from March 1st to March 8th, RSR Engineering College proudly hosted a vibrant week-long series of events honoring the achievements, voices, and leadership of women. The highlight of the week was the Women's Day Conclave, held on March 7th, 2025, at the conference hall.
- The event was graced by the Principal Dr P.V.N Reddy, Administrative Officer Mr R.V Ramana Reddy, WEC Convenor and the organizing department H.O.D Dr K Lakshmi, chief guests, staff and students.
- The event commenced with a warm welcome and lighting of the ceremonial lamp by the chief guest and dignitaries, followed by a powerful keynote address by the Principal and the WEC Convenor emphasizing the importance of gender equality and women's leadership in every sphere.
- A panel of inspiring women leaders from diverse fields—academia, business and healthcare—shared their journeys, challenges, and vision for the future.
- Their stories resonated deeply with the audience and encouraged open dialogue on women's rights and representation.
- The event featured moving dance and musical performances by students that celebrated the spirit of womanhood, diversity, and resilience.
- Prizes were distributed to the Women staff and students, who won in the various competitions held during the week long series of celebrations.
- The event was concluded with the vote of thanks to all the dignitaries, staff and students especially the management, WEC convenor, WEC student and staff coordinators, NSS students and the audience.

COLLEGE MAGAZINE LAUNCH

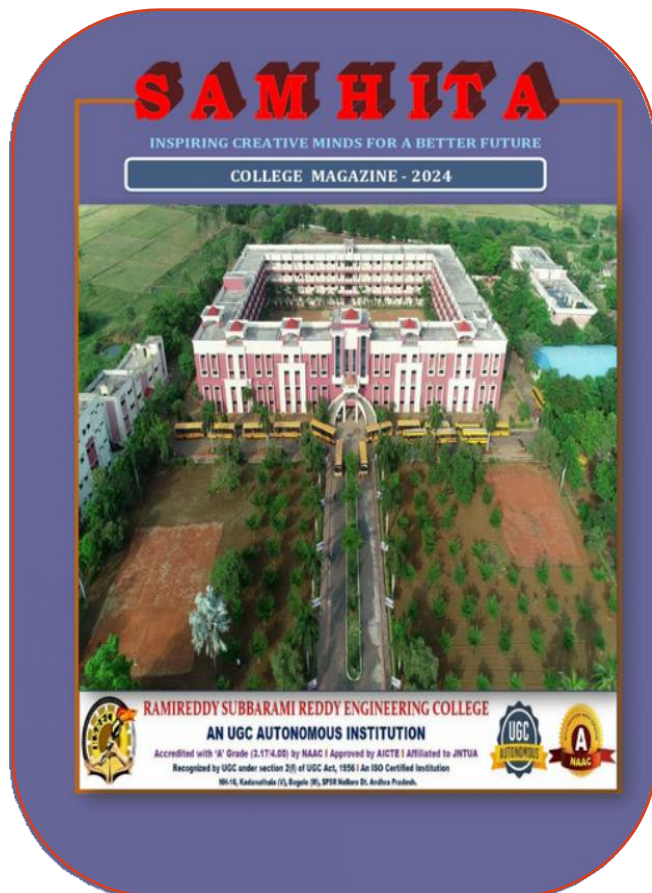

20/03/2025

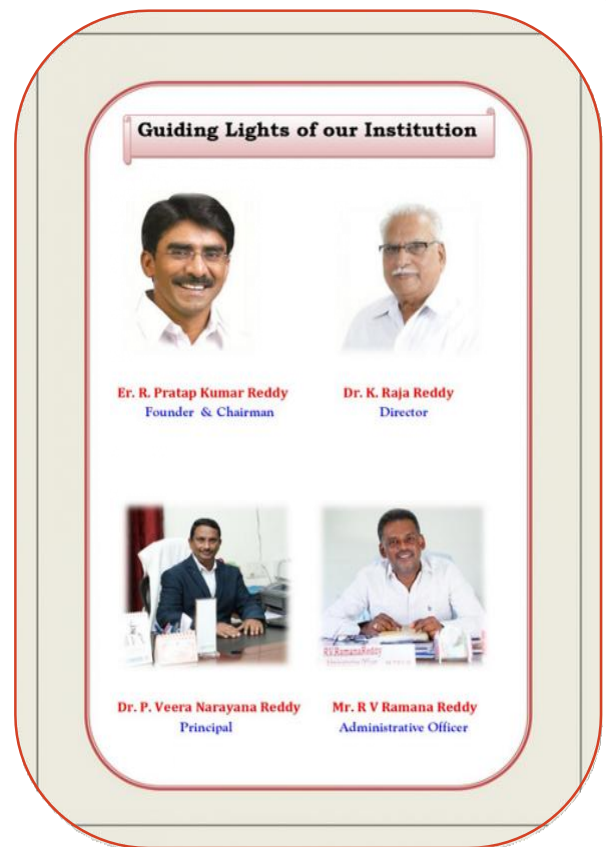

Department of Humanities & Sciences has organized the college magazine launch event on 20th March 2025

SIGNIFICANCE OF THE EVENT

A college magazine plays a vital role in fostering creativity, communication, and a sense of community among students. It serves as a platform for students to express their thoughts, showcase their literary and artistic talents, and develop their writing and editorial skills. By featuring articles, poems, stories, artwork, and reports on college events, the magazine reflects the vibrant life and intellectual spirit of the institution. It also helps students gain recognition and confidence, while promoting awareness of current issues, achievements, and diverse perspectives within the college.

**"If you want to change the world,
pick up your pen and write." – Martin
Luther**

The much-anticipated launch of the college magazine, 'SAMHITA' was held on 20th March 2025 in the College Auditorium, bringing together the staff, faculty, and student contributors in a vibrant celebration of literary and artistic expression. The event was graced by the presence of the Principal, Administrative Officer, H.O.D of organizing department, other department heads, and invited guests, who lauded the efforts of the editorial team and contributors.

The Principal, in the inaugural address, emphasized the importance of college publications in nurturing student talent and providing a platform for expression. The editorial team gave a brief insight into the theme of the edition, the content selection process, and the collaborative journey behind the magazine's creation. Staff members commended the magazine for its quality, creativity, and representation of diverse student voices. The event concluded with a vote of thanks and informal interaction over refreshments, marking a successful beginning for yet another edition of the college's proud literary tradition.

ALUMNI VOICE

STUDENT NAME: PASUPULETI MURALI
PROGRAM: B.TECH IN AI&DS (Working at Siemens)
BATCH: [2021-2025]

The campus is well-maintained with modern infrastructure. Facilities such as the library, computer labs, and classrooms are excellent and contribute significantly to a productive learning environment. The availability of Wi-Fi and e-resources has been particularly helpful. The college has provided a robust academic foundation. The faculty members are knowledgeable and approachable, ensuring that students understand concepts thoroughly. The curriculum is up-to-date and incorporates practical case studies, which help in applying theoretical knowledge to real-world scenarios.

The college has been an incredible platform for academic growth and personal development. It offers a balanced environment where students can excel in their studies while also exploring other interests. My overall experience has been very positive.

RAMIREDDY SUBBARAMI REDDY ENGINEERING COLLEGE

Approved by AICTE, Affiliated to JNTUA, Ananthapur.
An ISO 9001 : 2015 Certified Institution

NH-16, KADANUTHALA, Bogole Mandal, Kavali - 524 142

Graded the

Accredited by

NAAC
