At RSREC, our visionary leaders serve as the foundation for shaping the education and future of our students. They lead with inspiration, trust, and collaboration, bringing teams together around shared values and a unified purpose. By aligning today's efforts with a clear and compelling vision for tomorrow, they drive lasting success and ensure continuous progress — empowering every student to thrive in a rapidly evolving world.

VISION & MISSION

VISION OF THE INSTITUTION ...

To transform rural youth through science and technology and creating an innovative knowledge hub whose initiatives generates entrepreneurial value towards nation building.

MISSION OF THE INSTITUTION ...

- To teach, empower rural youth, and lead them towards innovation.
- To hold ethical practices, empathy and appreciate the culture of learning.
- To nurture talents that transform, create, and innovate knowledge.

VISION OF THE DEPARTMENT ...

- The department endeavors to build character, nurture talent, and contribute to the nation and human society.

MISSION OF THE DEPARTMENT ...

- Nurture talented people from a humanitarian perspective, build their character, institute in them the ability and desire to maintain humanitarian principles, and enable them to contribute to the prosperity of humanity.

"Vision sees the stars; mission carves the path to reach them."

— Aloo Denish Obiero

ABOUT THE DEPARTMENT

The Department of Humanities and Sciences, established in 2008, serves as the foundational pillar for all engineering disciplines. We provide students with a comprehensive and profound base in core subjects such as Mathematics, Probability and Statistics, Engineering Physics, Engineering Chemistry, and English. Our curriculum is designed to not only build a conceptual understanding of basic sciences but also to cultivate essential soft, social, and communication skills. Our primary objective is to inspire students to appreciate the importance of sciences, thereby fostering a natural passion for engineering and technology. We are committed to delivering a high-quality education, supported by a team of well-qualified, dedicated, and highly motivated faculty members who employ the best teaching methodologies to mold students into competent and well-rounded professionals.

HOD'S MESSAGE

Dr. K Lakshmi HOD, H&S

Dear Readers,

I am delighted to present this edition of Blossom. Recently, we conducted a Student Induction Program to help our freshers settle into their academic journey with confidence and enthusiasm.

We also organized several Health and Hygiene Workshops in collaboration with experts, focusing on personal well-being, awareness, and preventive care. The active participation of students made these initiatives truly impactful.

I thank our faculty, coordinators, and students for their dedication and teamwork. Together, we continue to nurture not just knowledge but also confidence, health, and holistic growth among our students.

Warm regards,
Dr. K. Lakshmi
H.O.D, Humanities and Sciences

EDITORS' MESSAGE

Dear Readers,

Greetings, and welcome to Blossom!

This special edition is a tribute to the vibrant season that has just passed. From May to August 2025, our community bloomed with a kaleidoscope of creative events and inspiring moments. We've gathered the essence of these months, filled with newfound skills, shared laughter, and powerful expressions, into a single, beautiful collection.

Inside these pages, you'll discover the stories and images that defined our summer. Each event, workshop, and collaboration was a brushstroke on a larger canvas, creating a masterpiece of community and passion. We hope this issue not only serves as a fond look back but also ignites a spark of inspiration for the creative journeys ahead.

Dr. U Rama Murthy
Associate Professor,
H&S

Ms. K Krishnaveni
Assistant Professor, H&S

We hope you enjoy reading it as much as we've enjoyed putting it together. As always, we welcome your feedback, ideas, and contributions—this newsletter is a space for all of us.

Thank you for allowing us to be a part of your world, if only for a fleeting moment. Together, we craft a tapestry of connection, one thread at a time.

We would like to extend our heartfelt gratitude to our esteemed Management, Principal, Dr. P. VEERA NARAYANA REDDY, the dynamic administrator Sri R.V RAMANA REDDY and HOD of H&S Department Dr. K. LAKSHMI for their constant support and encouragement for bringing out this, 'BLOSSOM'.

With warm regards,

Dr. U Rama Murthy & Ms. K. Krishnaveni

VOLUME 2| ISSUE 2

Key Highlights

A workshop on safety and hygiene was successfully conducted on August 12, 2025. The event featured Dr. K. Lakshmi, Convenor of the Women Empowerment Cell, who delivered an insightful talk on personal safety and hygiene practices for girls. Dr. Lakshmi spoke about a range of topics, including the importance of personal hygiene in preventing infections and maintaining overall health. She also provided valuable guidance on self-protection and situational awareness.

A highlight of the session was an interactive demonstration of self-defense techniques. A student from the audience actively participated, showcasing several simple yet effective moves. This practical demonstration engaged the attendees and reinforced the importance of being prepared for unforeseen circumstances. The workshop concluded with a Q&A session, allowing students to ask questions and clarify their doubts on both hygiene and safety. The event was well-received, empowering attendees with essential knowledge and practical skills for their daily lives.

“An ounce of prevention is worth a pound of cure”

- Benjamin Franklin.

Safety and hygiene workshops significantly impact students by improving their knowledge, attitudes, and behaviors toward health and safety. These programs are vital for creating a secure learning environment and fostering lifelong habits that promote well-being.

INTERACTIVE SESSION WITH COMMANDER Y.V.V PRASAD

20
25

BRIEF PROFILE OF COMMANDER Y.V.V Prasad

Commander YVV Prasad is a decorated Indian Naval veteran with 21 years of service, reaching the rank of Senior Naval Commander. After his naval career, he transitioned to senior management roles in defense PSUs and private companies. He is a highly qualified expert in various defense technologies, including missiles, electronic warfare, and combat management systems. Prasad is a strategic adviser in the defense, aerospace, and homeland security domains and has been nominated for the Padma Shri Award.

www.rsrec.edu.in

BLOSSOM|
VOLUME 2| ISSUE 2

Key Highlights

The interactive session was organized in the main conference hall at 1.30 PM and it was graced by the principal of the institution, administrative officer, H.O.D of H&S, staff and first year B. Tech students. Commander YVV Prasad (Retd.), a distinguished veteran of the Indian Navy and a prominent figure in the defense and aerospace sectors, has delivered an insightful and engaging session for students, shedding light on the vast scope of various engineering disciplines, the intricacies of modern warfare, and the critical role of new technologies. His address aimed to bridge the gap between academic learning and real-world applications, particularly within the strategic defense landscape.

Commander YVV Prasad delivered an inspiring speech to students, focusing on the intersection of engineering disciplines and technology within the context of modern warfare. His address highlighted how fields such as mechanical, electronics, and computer science engineering are crucial for advancements in defense and national security. The session concluded with a vote of thanks delivered by Principal PVN Reddy, acknowledging Commander Prasad's valuable insights.

Key Highlights

Day 1 Highlights

The programme commenced with an inspiring talk by Mr. Sai Dheeraj Ponaganti, a seasoned full stack developer, who shared valuable insights into the evolving tech landscape. The members of team saviours Ms Akanksha and Ms. Lakshmi Vyshnavi spoke about the career goals and women empowerment. The afternoon session, led by Dr. K. Lakshmi in collaboration with Mr. Pavan, focused on grooming etiquette and professional conduct—equipping students with essential life skills for academic and career success. The session was graced by the principal, administrative officer, H.O.D of H&S and staff.

79th Independence Day

20
25

Independence day celebrations at RSREC

With the support of the management and all the departments, Electronics and Communication Engineering (ECE) Department at RSREC, in a heartwarming display of unity, spearheaded the celebration of India's 79th Independence Day. The flag-hoisting ceremony, followed by patriotic songs and cultural programs, highlighted the spirit of collective effort. This collaborative celebration showcased not just departmental synergy, but a united RSREC family. It was a day to remember, filled with pride, patriotism, and a strong sense of community. The event was graced by the Director, principal, Administrative officer, H.O.D of ECE and the staff of ECE.

I am truly grateful to RSREC College for shaping my academic and personal journey. The supportive faculty, vibrant campus life, and strong academic foundation provided me with the confidence and skills to pursue my goals. The values and knowledge I gained here continue to guide me in my professional life. Thank you, RSREC, for being a cornerstone of my success and for the lasting memories and friendships that I will always cherish.
