ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering was established in the year 2008 with an intake of 60 students in Bachelor of Engineering Programme. The Department has progressively expanded its intake to 360 students by the year 2025. The Department is involved and aiming at the collaboration process from both Industry and Academics. It also promotes active Industry-Institute collaboration by identifying areas of interest and taking part in research projects. The Department has well established laboratories with latest hardware devices and software tools. It has sufficient well qualified and experienced technical and supporting staff.

The Department of Artificial Intelligence and Data Science was established in the year 2021 with an intake of 60 students in Bachelor of Engineering Programme. The Department is mainly focuses on preparing the students for wide range of IT careers equipping them with unique enriching experience of moulding tomorrow's technocrats with high calibre and commitment.

The Department offers specialized training in Artificial Intelligence, Machine Learning, Data Science, Cloud Computing, IoT, Cyber Security, Deep Learning, Image Processing, Information Security and Computer Networks.

MESSAGE FROM HOD'S DESK

Dear Readers,

It gives me an immense pleasure to introduce our Department Newsletter "TECH TIMES". The Dept of CSE and AID is the dynamic and vibrant department with the blend of young and experienced Faculty. The Department is actively involved in academic as well as research work in current areas of Computer Science Engineering and multi-disciplinary streams. The department has well equipped labs with the latest software, hardware and machineries. The faculty members are constantly publishing technical papers in national and International Journals and Conferences. The department is fortunate to have dedicated teachers, devoted students, and committed supporting staff and expert technical staff.

Let me conclude my thoughts with a saying,

Education is a continual process, it's like a bicycle ...
If you don't pedal you don't go forward.

MESSAGE FROM EDITOR'S DESK

Dear Readers,

I am delighted to bring out our department Newsletter "TECH TIMES". This Newsletter will showcase the activities and credentials of our department staff and students. I wish to express my gratitude for the invaluable encouragement and support given by our beloved Principal, AO, HoD and staff. I wish all the readers an enjoyable reading.

Let me conclude my thoughts with a saying,

Education's purpose is to replace an empty mind with an open one.

DEPARTMENT EVENTS

INTERNATIONAL YOGA DAY

The Department of Computer Science Engineering and Artificial Intelligence & Data science organized International yoga day on 21st june 2025 at 11 AM at Main conference hall RSR Engineering College. Resource person is Mr.T.Sree Rama Chandra Murthy.

The poster is for an event titled "INTERNATIONAL DAY OF YOGA". At the top, it features the college logo on the left and a NAAC 'A' grade logo on the right. The text reads: "RAMIREDDY SUBBARAMI REDDY ENGINEERING COLLEGE", "Autonomous", "Department of CSE and AI&DS", and "Organise". The word "YOGA" is prominently displayed in large black letters, with a silhouette of a person in a yoga pose inside the letter 'O'. Below this, a photo of Mr. T. Sree Rama Chandra Murthy is shown on the left, and his details are on the right: "Resource person", "Mr.T.Sree Rama Chandra murthy", "S.A(Eng)", and "30 years Teaching experience in yoga and meditation". At the bottom left, the date "21st JUNE 2025", time "11:00AM", and location "Main Conference Hall" are listed with corresponding icons. At the bottom right, there are three silhouettes of people in different yoga poses and the website "www.rsrec.edu.in".
